## Pastoral letter

Stewarton

June 2017

Dear friends

We are coming to the end of another session, organisations are finishing up, children are preparing to move on a class or school, leaders are changing. It is a middle time, between what we have achieved this session and what we look forward to doing next session.

If you look back over the year, what do you see God's hand in? Perhaps you are aware that He has helped you fulfil a task you were feeling apprehensive about. Perhaps He has given you success when you weren't sure if things would work out. Perhaps He has brought you up short and indicated that a change in direction is needed. Have you seen answers to prayer? Have you been helped through a difficult patch? Have you grown in your knowledge of God, in your spirituality?

If I hadn't written this, would you have stopped to think about these things? Sometimes it's easier to use the language of the world and say you were lucky or things worked out or your hard work paid off. If you change your language, you will change your thinking. If you change your thinking you will change your language!

As you look forward to next session, new ideas, new challenges, new goals, take time to make sure God is in all you do, ask for His guidance and blessing, seek His help and strength, thank Him for success, notice His part in your life and acknowledge it to the world.

And before next session starts, enjoy the break from routine and refuel in leisure and holiday time – you deserve it and God will be with you!

Your friend and IM,

Anne

## Letter from the Session Clerk

I wanted to write this as if we were having a conversation this month. People have been cheerier recently thanks to the lovely sunshine but I know that many of you still have things happening in your own lives that bring about some sort of darkness. In Deuteronomy it says “the Lord will never leave you or forsake you. Don’t be afraid or discouraged”. Everyone goes through hard times and when we experience them we think things will never be the same. Remember your church family and the Lord are always there for you.

All of our church committees have been speaking during the services and telling you about what they’ve been doing, what they plan and how you can help them. There are many tasks needing done in the church – we always need help with one thing or another. Ecclesiastes says that “two are better than one, because they have a good reward for their toil”. If you can help with anything in the church, please come forward and offer assistance. It’s also a good way of getting yourself out of the house (in some cases) and mixing with others.

While we still search for our new Minister we continue to meet in a variety of ways – Sunday and Tuesday services, Coffee & Co., Café, to name a few. Many of the organisations and groups however, have or are stopping for the summer and I’d like to thank everyone who keeps these going throughout the year. You all work hard and are truly entitled to a break. Enjoy your summer.

# Church in the Wider World Committee

## Romania

Thank you to all who have donated to our Romanian Project since the summer of last year through our book cupboard, through attending the many events we have organised such as Praise Nights. We were privileged to be able to send another £648.66 over to the churches in Amati and Hirp. The money you have donated has been greatly appreciated by the people in that area.

Jon and Sandy are going back over on 7th June of this year to see what else we can do to further help these folks. We are taking with us a Twinning Agreement that will formally link us to these two churches and to their congregations. Jon and Sandy will be attending two services at Amati and Hirp on Sunday 11th June and are to speak to both Presbyteries (Sessions) about how we can further aid each other in the work of God's Kingdom, both in Romania and St Kentigerns.

The committee will be keeping the congregation up to date from time to time with our progress. In the meantime thanks for all you do to support our church project.

# World Mission Council of the Church of Scotland

The aim of the World Mission Council is to enable the Church of Scotland, as part of the holy catholic or universal Church, to participate effectively in the Mission of God in the world, following the example and priorities of Jesus Christ and seeking the guidance of the Holy Spirit.

The World Mission Council seeks to fulfil that aim by:

- Engaging in a process of attentive accompaniment with the Church of Scotland's partners worldwide. (That is, listening to and walking with our partners on our shared journey of faith)
- Developing flexible models of partner-relationships and service opportunities with the world church
- Maximising the available human and financial resources
- Maximising the benefits to the Church in Scotland of involvement in the world church and communicating these benefits to the members and congregations of the Church of Scotland

The Council produce a free bi-monthly magazine called funnily enough 'WM.' You can pick up a copy from the tables in the foyer. The June/July edition focuses on 'Women in the World Church.'

In fact a report was presented by the Council at this year's General Assembly. The report was seen as both a celebration and a lament. It celebrated that there are women across the world that lead, inspire, call to action and create positive change within their communities.

This edition of the the WM Magazine focuses on what it means to be a woman in the World Church and celebrates the achievements of world women all over the and explore the challenges women continue to face within congregations and society. Together as a global church we need to encourage each other, learn from each other and hopefully one day women will be valued by all and treated equally.

## Egypt

From time to time the Church in the Wider World Committee will highlight the plight of our persecuted brothers and sisters in other countries. This month we are going to focus on the Coptic Church in Egypt.

The following information has been taken from the Barnabus Fund publication 'Praying for the Persecuted Church.'

'Last year, when a church in the village of Madamoud, east of Luxor, was discovered to be on fire, local Muslims assisted their Christian neighbours to put out the blaze. It was a rare example of Muslim support for the Christian minority, in a country where the presence of Christian places of worship are resented and sometimes violently opposed. There were multiple attacks on churches, or buildings rumoured to be converted into churches, in the last year. Although occasional arrests were made, Christian communities were also forced into one-sided 'reconciliation' meetings with local Muslim leaders.

The overthrow of Egypt's Islamist president, Mohammad Morsi in 2013 was followed by increased violence against Christians and destruction of 60 church buildings. President al-Sisi promised in January 2016 to rebuild those churches that were attacked and at the time of writing most if not all had been completed.

Christians still face times of violent abuse and attacks, in addition to discrimination in employment. However, the new constitution introduced by President al-Sisi does formally protect freedom of belief to practice their faith. In December, a suicide bomb at a church service in Cairo killed 27 Christians, mainly women. President al-Sisi declared three days of national mourning and ordered the army to repair the building.'

On 26 May, gunmen attacked a bus carrying Coptic Christians in central Egypt, killing at least 28 people and wounding 25 others. The bus was travelling to the Monastery of St Samuel the Confessor, 85 miles south of Cairo, from Minya province when it came under fire.

Please pray for our brothers and sisters in the Coptic Church in Egypt that their plight will lessen and the those who carry out such attacks will be found and brought to justice.

## Our Church

At our last committee meeting, Margo Dreghorn intimated that she is stepping down from the duties of our committee for the time being. The group arranged tea and coffee to be served at the Cycle Race in New Farm and 16 cups of tea/coffee were given out on the day.

There are plans to organise an outing to the cinema in September for church members; Souper Sunday Service/Lunch October; Messy Church event for Bonfire Night; Living Advent in December; a trip to the Panto in January 2018 and possibly a progressive meal early next year. Our new convener will be Mrs J Burnett.

## Other Churches

### COSTA COFFEE FOLK EVENING, STEVENSTON

Friday 14TH April 2017

Jim McHardy visited this event on behalf of the committee. The church band of the Townhead Fellowship asked if they could have a folk evening, playing in the corner while customers attended. The church people were encouraged to attend and to invite friends, and at the table I was at, only one of the 4 others was a church goer. Usually Friday night is a quiet night for Costa Coffee, but on this occasion it was packed, with standing room only. Staff reported it was the busiest the place had been since it opened one year ago.

The songs were a mixture of folk and gospel and were played in the background with any donations to a worthy cause (forget which) made at the till while people ordered their beverages.

The atmosphere was relaxed and friendly with the majority staying for the evening. As usual, a few other customers outwith this group dropped in to buy a coffee.

“If they won’t come to you, go to them” would be a good summary of what Townhead Fellowship have tried, with success.

At the recent Kirk Session it was agreed to look into this in Kilmarnock with Reachout providing the music.

# Church in the Community Committee

## In-Service Day Child Care

Once again we had a great time on 4 May with 14 children attending our In-Service Day Child Care provision. A majority of the children had previously attended and we were glad to welcome one or two new faces. These children were a credit to their parents as their behaviour and attitude were very positive and we all got on so well together, adults and children.

We welcomed the children from 8 am and shared breakfast together before embarking on a superhero hunt, followed by painting sun catchers. The team games were entered into with great enthusiasm, helping the children to work together. In the afternoon we continued with crafts making pencil holders and the fun part decorating biscuits with an animal face. The children thoroughly enjoyed this and there was not a drop of icing sugar left in the bowls. They love playing games and the freedom our large hall provides.

A superb lunch consisting of chicken legs, quiche, sausage rolls, filled croissants and a variety of tasty sandwiches was provided by Centre Stage. They have a depot in Dundonald where the food is cooked and everything prepared through the donating of food by several well known supermarkets. Centre Stage help various charities and we really appreciate this generous gesture. After speaking in Church reporting on our last child care a member of the congregation kindly arranged this for us with Centre Stage.

Church in the Community are committed to this provision and thank everyone from the congregation who supported us on the day. The parents are very appreciative of the service the Church is providing and we don't know where this will lead but God is really blessing this outreach.

## **Prayer for others and ourselves**

We group our prayer requests into four: for our world, for other churches and organisations; for our town and community; and for ourselves.

- Those who are working on the Community Garden Project
- Future developments with our Fresh Expressions of church

### **For our church**

- The work of our Nominating Committee as they move forward.
- That we would be united in our commitment to follow where Jesus leads in uncertain times
- Our Kirk Session, Congregational Board and congregation
- The work of our organisations with both the young and adults both in church and the community

## Youth Church

Youth Church members have had a busy and very interesting year. We have been learning a lot about Matthew's gospel as well as having discussions on many other topics. We try to relate everything we learn about, to our everyday lives. Some of us have been memorising the books of the bible- our Easter Egg Challenge!

At the beginning of the year we changed the frequency of our meetings from fortnightly to weekly and we now start each Sunday in the church service then go through to the Lounge..

We've participated in many of our services by taking various readings and also by leading congregational prayers on occasions. We even did some acting and helped Junior Church with their Christmas and Palm Sunday plays. We had two very successful fundraising activities: Car Wash and Baking and Craft sale. As a result of our new funds, the youth church members decided to donate £40 to be divided between British Red Cross for Syrian Refugees and the work of Open Doors with persecuted Christians. We will also use our funds to pay for youth church members' lunch at the Junior church outing to Almond Valley on 3<sup>rd</sup> June and for an outing for Youth Church to Laser Quest in Ayr on August 18<sup>th</sup>. (to be confirmed)

We look forward to welcoming 2 new members who are leaving Junior Church this summer. We will be taking part in the Thanksgiving Service for Junior and Youth Church on Sunday 11<sup>th</sup> June and will then be on holiday until Sunday 20<sup>th</sup> August.

I'd like to thank our leaders who are so enthusiastic in their preparation and also for those who volunteered to help us when we need extra leaders.

Clarinda McHardy

### **LADIES - SAVE THE DATE!**

Our next Ladies' Retreat will be held in our church on Saturday 23<sup>rd</sup> September at 10am until around 2pm. Our Topic is "Beside Still Waters – searching the Psalms". 70 attended last year and we had an inspiring morning. We plan to squeeze in up to 80 this time! Put it in your diaries and please let Clarinda know if you plan to attend.

## **LIFE GOES ON**

by Tracey Hamilton

The river won't stop flowing  
Because we've split apart.  
The birds won't stop singing  
Because you've broke my heart.

Life won't stop to kill the hurt  
I'm hiding deep inside -  
The days won't stop drifting by  
Because you've hurt my pride.

The rain won't last forever  
Because you're no longer there  
So I will go on living  
Just dreaming that you're near.

## What way do I turn

By Joanne Murdoch

What way do I turn,  
who do I see  
When all in my head,  
people shouting at me  
There has got to be more to my life than what's here  
My existence on earth is worth more than a tear.

I often look up to my Saviour, my Lord  
My forever friend, my Jesus, my God  
I ask him to look over my family and friends  
But don't ask for me as the trials never end

I'd be there all night with my problems at length  
Yet I know he's the one that will build up my strength  
It is so very hard to remember each day  
I need to remember he loves me as well

He knows all my troubles I don't need to tell  
He will always be with me wherever I go  
With every good time and every woe  
Jesus and I will never be apart  
As long a I have him here in my heart

## **GIRLS' BRIGADE**

Hi folks

We've reached the end of another year and what a way to finish - our annual display and award ceremony produced by the Brigader section (Jennifer Houston and Beth Calderwood) along with their leader, Laura Muir, as a form of Music Festival in aid of Oxfam as part of their service award. They did well to teach the younger girls to not only play musical instruments in five weeks but to teach them songs and dances too. They were all a credit to their peers and parents. I was very proud of them. To top it all they raised £130 for the charity which we will forward to Oxfam in due course. Many thanks to Rev McAllister for presenting the prizes on the night.

We also finished the year with our annual camp weekend - although HQ now call them holidays. We still can't move away from the training we took part in. It was back at Dumfries House with Largs company. There were 32 girls and 10 leaders in attendance and we took part in archery, bush crafts (how to build fires), wall climbing and tennis to name just a few. It was packed with action and hilarity and good Christian togetherness. We have already booked a place there for next year.

2018 sees the start of 125 years of GB and we will be taking part in Divisional and National events throughout the year, as well as planning some extra events for our own girls in the spring and autumn. We will keep you informed as the events get nearer.

So now everyone can enjoy some free time and relaxation as we recharge our batteries in preparation for the return in August 24th.

Happy holidays all and stay safe.

Tracey Hamilton, Captain

## **Nominating Committee**

The Nominating Committee are at present out and about doing their best to find a new minister for our church.

If anyone has the name of a minister they would like to be considered please let them know, via email to [nom.committee@stkentigern.org.uk](mailto:nom.committee@stkentigern.org.uk) or by speaking to anyone on the committee.

We can't say if we are able to see them or not, so please don't ask us. All we ask you to do is pray for us in this task and through prayer we will find the right person for St Kentigerns.

## Messy Church

Messy Church  
Our session  
comes to a close

on Tuesday 13 June when we will be having a Wedding Party telling the story of Jesus at the wedding in Cana. Everyone has been asked to dress as if going to a wedding but with the promise there will be no painting that day.

Over the last few weeks we have welcomed a number of new children/adults and its great to see them becoming involved. We have a dedicated core of children/adults who faithfully come each Tuesday we are on. However we are going to be losing a number of children who will be starting Primary School and they have been with us for several years. At the moment we have quite a few 2 year olds so we have to ensure the crafts are suitable for that age group.

Messy Church is growing throughout the country and it is a Fresh Expression of what Church is today. We are encouraged that we have been at the forefront of introducing Messy Church and Tuesday is Church to our adults and children. Messy Church is fun, messy at times with our crafts, but Jesus is at the centre of it all through our story time and singing.

We have a strong Messy Church Team who are dedicated to this work and who spend time not only chatting with the children but take the opportunity to speak to the adults through craft time and when serving afternoon tea. All this makes Messy Church an important outreach and we value your prayers.

Messy Church will start a new session in mid August.

Irene

April 2017

Dear brothers and sisters in Christ,

I write to thank you most sincerely for supporting the worship, mission and service of the Church through the money you give in your offerings. It is important that you should know what happens to this money and this letter (along with the enclosed Ministries and Mission leaflet) intends to explain how your congregation's Ministries and Mission Contribution will be used to enable the work of the Church in 2017.

**110630 - St Kentigern's**

Total Contribution to Ministries and Mission for 2017

**£32,731**

**Ministries (84%)**

**£27,494 of your total contribution** will go towards the costs of providing over 1,000 ministers and other parish workers in communities throughout Scotland and in the Presbytery of England. This contribution also assists with the costs of recruitment and training.

The 2017 cost of a parish minister at the top of the stipend scale is **£41,866** (stipend plus employer's national insurance and pension contributions). If your contribution to Ministries is above this figure, then your church is meeting the full cost of your ministry and supporting other congregations. If it is less than £41,866, your congregation (or linked charge) is being supported by other congregations.

**Mission (16%)**

**£5,237 of your total contribution** will be used to support the Church's work in: resourcing congregations for Christian education and outreach; providing social care services in Christ's name to further the caring work of the Church to people in need; accompanying partners around the world on our shared Christian journey; contributing the Church's opinion in public debate and on issues affecting Scotland and the World; providing central day-to-day service work in administrative, financial and legal matters; and in planning the General Assembly and ensuring the Moderator represents the Church.

As you will see, the contributions your church makes ensure a very diverse ministry is maintained and that the Gospel of Jesus Christ is shared in many ways and in many places. Many churches have made additional Ministries and Mission contributions throughout the past year and these have also been gratefully received.

Should your church wish any support or resources from the Stewardship and Finance Department, please do not hesitate to contact me. The National Stewardship Programme has been running for several years and our consultants' team is willing to guide your church through a stewardship programme, or simply to provide you with some ideas and advice. Please remember that the consultants will work with your church free of charge – **there is no cost for their time.**

I do look forward to assisting you in any way I can.

Yours in Christ,

*Archie McDowall*

## **Church Big Clean**

We hope to start our annual Big Clean on Thursday 29th June. Last year we had a Family Day Clean when we were at church on the Saturday. If we get enough names for this we will do it this year on Saturday 1st June.

Please if you can help, even for just an hour, then sign up! A sign up sheet will be in the foyer from mid June. If you would like to help but don't know how the Big Clean works then please speak to me.

I pray we get a good response as keeping our church buildings clean and safe is most important.

Sadie Speirs

## **Sunday Club**

Over the summer months after Junior Church stops we are going to run a Sunday Club for all Primary age children just like a summer Holiday Club. This will start on Sunday 18 June and finish on Sunday 13 August.

The theme is called Target Challenge based on the life of David and each week we will discover David's development from a shepherd boy to a King. There will be a weekly challenge for the children to complete which will be fun, story time, crafts, learning new songs and a snack. The children will be in Church to begin with and then move to the Small Hall.

To enable all this to take place we need helpers. Leaders are already in place for each week but two people are required to assist who must have their PVG. If this is something you would like to be involved with please speak to Tracey and Sharon Hamilton, Ann Brown or Irene Rennie.

## Prayer times

We have the huge privilege of bringing our whole lives, our thanks and our concerns for the church and the world to God as we pray. We know life is busy but we also know a commitment to pray together is right. So we host short prayer meetings on Sunday mornings (when people are coming to church anyway) to pray, in a four-weekly cycle, for our world, other churches and agencies, our community and ourselves.

You are welcome to join us. Your presence speaks volumes - you do not need to speak. If you do speak, your words encourage us all. We meet as friends together before God and would love to see more folks join us. We're currently meeting in the Lounge at 10.30 every Sunday and the rota of subjects is:

### June

4th Church in the Community

11th Other Churches

**There will be no formal prayer meetings from 18th June until 20th August as is the norm. However should you wish to come through to the Lounge at 10.30 am on a Sunday morning there will be a time of prayer, that all, as usual, are welcome to come to.**

## My Pretty Rose Tree

by William Blake

A flower was offered to me;  
Such a flower as May never bore.

But I said I've a Pretty Rose-tree.  
And I passed the sweet flower o'er.

Then I went to my Pretty Rose-tree:  
To tend her by day and by night.

But my Rose turned away  
with jealousy:  
And her thorns were  
my only delight.

## Hospital and home visiting

You'll be aware that for a few years now there's no access for the Minister to the lists of hospital in-patients. If the Rev Tom Logan and the Pastoral Care team doesn't know of members who are at home or in hospital and who would value a visit, they'll not be able to do this. It's essential you tell them, and if possible pass on the mobile telephone number of the person who's in hospital. Feel free to phone details and leave a message, with Tom on (01563) 524398 or e-mail [pastoral.care@stkentigern.org.uk](mailto:pastoral.care@stkentigern.org.uk).

## Letting of Halls

We're keen to let our premises be used by others for the good of our community, but we also need time to clean them, and use them for Church work. If you wish to use a hall, could you please fill in a booking slip and place it in the box in the foyer. Please do not print up tickets or posters until you have confirmation of availability. You can contact me at [booking@stkentigern.org.uk](mailto:booking@stkentigern.org.uk) or speak to me, Sadie Speirs, at church if you have any queries regarding the use of the halls.

## Give online!

You're now able to give directly to St Kentigern's online! The web address is **[my.give.net/supportstkentigerns](http://my.give.net/supportstkentigerns)** and you can also get there from any page on our church website at [www.stkentigern.org.uk](http://www.stkentigern.org.uk). The online giving allows us to reclaim tax on your offering, and the admin fees are low so almost all you give online is passed on to us. It's secure, convenient and quick - so feel free to use this and pass the word around!

## Give as you Live

The church has now signed up for Give as you Live, which gives members of our congregation a way to raise FREE donations for our church, when they shop online at 4000+ leading retailers - including Amazon, Ebay, John Lewis, Marks and Spencer, etc.

Sign up to Give as you Live online, then each time you shop online at supported retailers a commission is paid to Give as you Live by the retailer, which they then share with St Kentigerns. Go to <http://www.everyclick.com/st-kentigerns-church-kilmarnock>
